North Island
CRAFT BEER
FESTIVAL

BREWERY REGISTRATION FORM

We're hand-selecting breweries from around British Columbia to attend the sixth annual North Island Craft Beer Festival.

North Island Craft Beer Festival

MARCH 13, 2027
CAMPBELL RIVER
COMMUNITY CENTRE

The Why

North Island Craft Beer Festival is a family affair—bridging our love for the North Island and craft beer. This festival will give back to the community that has given us so much. Full proceeds will go to the Campbell River Community Foundation, a non-profit that provides numerous grants to various community groups each year. Our vision is three-fold: spotlight the beautiful city of Campbell River, give back to our community and bring awareness to modern day beer culture in our very own town.

The Expectation

This year, we will be purchasing two 20L kegs (or 30L if you don't have 20L kegs) or the equivalent in casks, cans or bottles, for a total of approximately 40L per brewery. Of course, should you choose to donate one of the kegs, we would graciously accept, but there's no obligation. There will be no registration fee for breweries. **More importantly, we would like two beer styles from each brewery, one of which is your choice. The second is where the fun begins! We want to make our festival stand out in some way, so we would like your brew team to get creative. We would like a small batch, cask or unreleased/soon-to-be released beer for the second keg.** We want our attendees to experience a beer they may never be able to taste again, or better yet, make them want to visit your brewery or seek out your beer in liquor stores.

The Details

For our sixth event, we expect to have around 400 attendees for a four hour event from 1:00 PM to 5:00 PM. The food will once again be catered by the Campbell River Golf and Country Club. We will provide brewery reps, who are pouring, with food tokens and water. Should a rep not be pouring for the remainder of the day and wish to drink, we will happily exchange wristbands. We have blocked off a section of rooms in a downtown hotel, at a discounted rate, in hope that your brewery rep(s) will stay the night and attend the afterparty. We will also be hosting an after party at Session Taproom where some beer and food will be provided. We hope you will stay the night and join us for this social occasion. As an added incentive, Session will also be purchasing an additional 20L keg of one of your festival beers, so those who couldn't attend and even those who did, can try your beer!
